### Abbreviations used in this publication:

d = died,      b = born,      int = interred,      a = age,      fa = father,  
 m/mo = marriage date or mother,      da = daughter,      w = wife,      h = husband,  
 pt = parent(s)      DS = double stone,      TS = triple stone,  
 res = reserved or residence at.

### Notes:

\* (asterisk) indicates a Cemetery is INACTIVE

Numbers in brackets (131) are cemetery numbers, numbers following are plot numbers if these are known.

Some of the death dates have been transcribed from the records but it is not always clear whether these are actually death or interment dates.
